Actual Bigfoot photo

Majestic Shores Bridge

A black and white photograph showing a dirt road leading to a bridge. A person is standing on the road in the distance. The text "Majestic Shores Bridge" is overlaid on the image in a large, bold, italicized font with a double underline. The background consists of a dense forest of trees.

# Majestic Shores Culverts

Excavating **EVERYTHING**

# Kellogg road Bridge project.

Concrete Bridge  
14' wide  
24' long  
complete with guard railing

1" thick asphalt  
4" thick gravel

40 Foot guard railing  
for bulkhead

3' to 4' Boulders use  
as rip rap

Native SEEDING  
Bent stabilization

1" thick piling caps welded

15' height

25' span

18" x 11" x 76lb Eye Bolts

# SEDIMENT DELIVERY

A landscape photograph showing a riverbed filled with sediment and debris. The riverbed is wide and shallow, with a thick layer of brown, silty water. Numerous logs and branches are scattered across the riverbed, some partially submerged. The surrounding area is a valley with green grass and scattered trees. In the background, there are hills with sparse vegetation. The sky is overcast.
